25X1

1. The BRANDENBURG-BRIEST (N 53 1/2 13) airfield was not occupied. The hangars and buildings were destroyed. A building was being erected. The about 5,000-foot asphalt runway was overgrown with weeds.
2. According to local residents, individual aircraft occasionally landed at the airfield. The field was allegedly to be reoccupied.

Comment:

Report confirmed information of 14 September 1949 \*.  
The information on construction work at the airfield  
is considered credible because a previous report  
stated that construction workers were drafted for the  
airfield. \*\*
